

You've been

Flocked!

By The Power Hawks Robotics Team
At South River High School

Want to find out more about Team 1111? Visit www.powerhawks.org

This is a fundraiser to support The Power Hawks team 1111.

How this works? One of your friends actually paid us to put our flock in your yard! This is done out of good spirit and not meant to be mean. These flamingos will rest on your lawn for 48 hours and then they will mysteriously migrate to another friends/neighbor's lawn.

Now it's your turn! You can specify where you would like this flock to migrate to next. We are just asking for small donations to help support our team. If you wish to flock a friend or neighbor's yard, we are asking for a \$10.00 donation. Of course, the removal of this flock doesn't cost a thing so please don't hurt our feathered friends.

Thanks for your sense of humor and your support!!

Checks payable to: **Power Hawks Robotics Club**, mail to (Contact Name),
(Address)

Your Name: _____

Your Address: _____

Your Tax-Deductible Donation: _____

Next Location Name: _____

Next Location Address: _____

Would You Like to be identified? **Yes** **No**

*After you are finish, call (Number) and tell us your name and where your flock is located. Then, place this paper back where you found it and we will come and migrate our flock!

You were flocked by this person: _____
